

# OUR VISION

HONET's vision for the past 16+ years has been to bring together academia and industry professionals from the developed and the developing world, thereby enabling a platform for collaborative learning, research and emerging products and applications in industry. Visionary Industry leaders, leading educationists, and young students and engineering come together to reflect on the common good.

## IEEE HONET-ICT 2019

16TH IEEE INTERNATIONAL  
CONFERENCE ON SMART  
CITIES: IMPROVING QUALITY  
OF LIFE USING ICT, IOT, AND AI

October 6-9, 2019  
Charlotte, NC

# IEEE HONET-ICT '19

Every year, the conference's thematic areas are updated based on the interests and community needs. The 16th IEEE International Conference HONET 2019 main theme is "Smart Cities: Improving Quality of Life using ICT, IoT & AI". The Industry Exhibition is the perfect venue for engineering professionals and visionary developers to showcase their products and technologies and interact with academic scholars, faculty, and students.

The thematic areas for this year's Industry Exhibition include the following topics:

Energy  
Photonics  
Optoelectronics Information and  
Communications (ICT)  
Internet of Things (IoT)  
Artificial Intelligence (AI)  
Cyber Security

## With relation to:

Education  
Transportation  
Healthcare  
Food services,  
Water  
Sewer and Hygiene  
Environmental services.

# CONTRIBUTE TODAY!

IEEE Int'l Conf. HONET'2019 has various opportunities for the businesses or organizations to participate and support the important event. The conference offers opportunities at various levels, as well as, a la carte and in-kind contributions. In order to keep costs down for the student portion of the conference, it is indispensable to raise additional funds allowing us to offer the student attendees.
